

Nora Medical Group, S.C.

December 1, 2011

Dear Patient,

Effective January 2012, Nora Medical Group will no longer see patients at the Stone Medical Building, located at 2800 North Sheridan Rd. Our new location will be on the 5th floor of Saint Joseph's Hospital Manor Building, located just 2 blocks Northeast at 2913 N Commonwealth. The Manor Building is on the corner of Surf and Commonwealth, and is across from the Emergency Room and next to the hospital's parking garage.

The office is accessible by public transportation, with bus stops 1 block away on Surf and Sheridan, (LaSalle #156, Sheridan #151), as well as in front of the hospital, (#77 Belmont). The Manor Building has convenient handicap accessibility at the ground floor, next to the garage. Parking is also validated by getting your ticket stamped at the check-in receptionist.

We look forward to seeing you in our new location. We wish you happiness and good health in the New Year.

Sincerely,

Mindy Nora, M.D.

Andres Giraldo, M.D.
